Inspection expenses should be borne by the Trader and failure to notify AMPAC within fourteen (14) days of receipt of any matter making the Goods non-conforming with the Contract shall constitute unqualified and irrevocable acceptance and a waiver by the Trader of any claim with respect to the delivery or condition of the Goods.

TERMS OF SALE

- 8.9 If at the date specified for delivery acceptance of the Goods is delayed for reasons outside AMPAC's control the Goods will be stored by AMPAC and the Trader shall be liable to pay reasonable storage charges for the period of delay plus the cost of any additional handling and transporting incurred. - 8.11 AMPAC reserves the right to make partial deliveries of any Goods unless expressly prohibited by the terms of an Order, and to invoice such deliveries separately. Each delivery of goods in respect of which an invoice is raised by AMPAC will be deemed to constitute a separate Contract between the parties.
- 8.12 If AMPAC is prevented (directly or indirectly) from making delivery of the Goods or any part thereof by reason of a Force Majeure Event, AMPAC shall be under no liability whatsoever to the Trader and shall be entitled at its option either to cancel this Contract or to extend the time of its performance and the Trader shall not be relieved of any obligation to accept or pay for Goods by reason of any delay in delivery or despatch.

- 10.3 AMPAC is entitled to register a security interest in the Goods by any method permitted by Law including the *Personal Property Securities Act 1999* ('the PPSA').
- 10.4 The Trader acknowledges that the Trader is in possession of the Goods delivered by AMPAC solely as bailee for AMPAC until such time as the full Purchase Price thereof is paid to AMPAC together with the full price of any other goods sold to the Trader by AMPAC.
- i 11.4 Until such time as the Trader becomes owner of the Goods, it will store them on its premises separately from its own goods or those of any other person and in a manner which makes them readily identifiable as the goods of AMPAC;

 - iii or products subject to the express condition that the new product or products or any chattel whatsoever containing any part of the Goods shall be separately stored and marked so as to be identifiable as being and are the property of AMPAC;
 - iv if Goods which are the property of AMPAC are mixed with goods which are the property of a person other than the Trader or are processed with or incorporated therein, the product thereof shall be owned in common with that other person;
 - v the Trader shall be at liberty to agree to sell AMPAC's Goods or any product produced from or with AMPAC's Goods on the express condition that such an agreement to sell shall take place as agent and bailee for AMPAC and that the entire proceeds of sale and moneys therefore are held in trust for AMPAC and are not mingled with any other moneys and shall at all times be identifiable as AMPAC's moneys. The Trader's ability to resell the goods shall automatically cease if a receiver is appointed over any of the assets or undertaking of the Trader or if the Trader goes into liquidation (otherwise than for the purposes of a reconstruction or amalgamation approved by AMPAC) or calls a meeting of or makes any arrangement or composition with creditors or commits any act of bankruptcy;
 - vi if the Trader has not received the proceeds of any such sale, it will if called upon to do so by AMPAC, within seven (7) days thereof assign and sell all rights against the person or persons to whom it has supplied any product or chattel made from or with AMPAC's Goods.

TERMS OF SALE

- 10.5 Each of the above sub-clauses of this clause 11 shall be deemed to be distinct and separate conditions and the validity or invalidity or any particular sub-clause shall not affect the validity or invalidity of the remaining sub-clauses.
- 10.6 Subject to the provisions of the PPSA, if any monies owing by the Trader to AMPAC are overdue AMPAC may by its employees or agents enter upon the Trader's premises and recover and resell the Goods in which event AMPAC's only obligation to the Trader will be to credit the Trader with the invoiced price of the Goods. The Trader indemnifies AMPAC against all claims that may be made as a consequence of AMPAC exercising such power of entry and repossession.

11. PERSONAL PROPERTIES SECURITIES ACT 1999 ("PPSA") AND OTHER SECURITY

- 11.1 As security for the Trader's obligations under their terms of sale, the Trader grants to AMPAC a security interest in all the Goods AMPAC agrees to sell to the Trader under any contract, together with the proceeds of such Goods. Such security shall continue until all sums owing by the Trader to AMPAC in respect of any Goods supplied have been paid in full.
- 11.2 AMPAC may allocate all monies received from the Trader in any manner it determines including in any manner required to preserve any purchase money security interest under the PPSA in the Goods.

 - ii the Trader waives any right to receive a copy of a verification statement under the PPSA and all of its other rights against AMPAC.
- 11.4 The security interest created by these terms of sale is not discharged nor the Trader's obligation affected by the administration, insolvency, receivership or liquidation of the Trader.

13. WARRANTY.

- 13.1 AMPAC warrants to the Trader that Goods manufactured by AMPAC shall be free from defects due to faulty design, materials and workmanship (except as regards defects specifically drawn to the Trader's attention, before the Contract is formed between AMPAC and the Trader, or, if the Trader examines the Goods before the Contract is formed then except as regards defects which that examination ought to reveal).

- 13.2 If it is proven to AMPAC's reasonable satisfaction that Goods manufactured by AMPAC are not free from defects due to faulty design, materials and workmanship (except as revealed by examination as referred to in Clause 13.1) then AMPAC shall, at its cost and its option and (to the full extent permitted by Law) as the Trader's sole remedy, either:
- i repair or pay for the cost of repair of such Goods;
 - ii replace such Goods with the same or equivalent goods at the point of delivery applicable to the Contract under which such Goods are supplied to the Trader by AMPAC; or
 - iii refund to the Trader the Purchase Price of such Goods.
- 13.3 This warranty does not apply in respect of defects due to or arising from:
- i incorrect or negligent handling, disregard of operating and/or maintenance instructions, overloading, unsuitable operating conditions, defective civil or building work, lightning, accident, neglect, faulty erection (unless carried out by AMPAC), acts of God caused beyond Ampac's control or unauthorised repairs or alterations which have been carried out;
 - ii to Goods of a consumable nature;
 - iii in respect of defects occurring more than thirty-six (36) calendar months after the Goods have been delivered to the Trader. If delivery was delayed for reasons beyond AMPAC's control, then thirty-six (36) calendar months from delivery or forty-two (42) calendar months after AMPAC first notified the Trader that AMPAC was ready to deliver the Goods (whichever period expires earlier);
 - iv unless AMPAC is notified in writing within seven (7) days of the alleged defect first coming to the notice of the Trader and the Trader returns the defective Goods to AMPAC, or if directed by AMPAC, at the sole discretion of AMPAC, to the works where such Goods were manufactured or assembled, at the Trader's expense of charge; and
 - v unless the Trader has fulfilled all its contractual obligations.
- 13.4 This warranty will only apply if the Goods, the subject of warranty, are returned to the original point of delivery. It is the responsibility of, and at the risk of, the Trader to return the Goods to the original point of delivery.
- 13.5 The benefit of this warranty is personal to the Trader and is non-assignable without the prior written consent of AMPAC.
- 13.6 Except for the warranty referred to in clause 13.1, to the maximum extent permitted by law AMPAC expressly includes all other conditions, warranties, guarantees, descriptions, representations, conditions as to fitness or suitability or fitness for any purpose, tolerance to any conditions, merchantability, appearance, safety, durability or otherwise (whether of a like nature or not) and whether express or implied by law, trade custom or otherwise.

14. LIMITATION OF LIABILITY.

- 14.1 Notwithstanding any other provision of these terms of sale, other than clause 14, under no circumstances, shall AMPAC be liable to the Trader or any other person (whether in contract, tort, including negligence statute or otherwise) for any:
- i loss of profits;
 - ii consequential loss or damage;
 - iii indirect loss or damage; or
 - iv special loss or damage of any kind.
- 14.2 To the maximum extent permitted by law, AMPAC's total liability (whether in contract, statute, including negligence, or otherwise howsoever arising) for any claim by the Trader, its agents, employees or subcontractors, or any other person, relating to or arising from the supply of Goods or any quotation or estimate given shall not exceed the price of the Goods to which the claim relates.
- 14.3 If the Goods are acquired by the Customer for business purposes, the Consumer Guarantees Act 1993 does not apply to the sale of those Goods and the parties agree that sections 9, 12A, 13 and 14 of the Fair Trading Act 1986 do not apply. Nothing in these Terms is intended to contract out of the provision of the Consumer Guarantees Act 1993 or the Fair Trading Act 1986, except to the extent permitted by those Acts.

15. FORCE MAJEURE

- 15.1 AMPAC will not be in breach of the Contract or otherwise liable to the Trader for any failure to perform or delay in performing its obligations under the Contract to the extent that such failure or delay is due to a Force Majeure Event.
- 15.2 If a Force Majeure Event occurs AMPAC will as soon as reasonably practicable after becoming aware of the Force Majeure Event give written notice to the Trader that the Force Majeure Event has occurred.

TERMS OF SALE

- 15.3 If AMPAC is affected by a Force Majeure Event the Trader will continue to pay AMPAC's invoices in accordance with clause 7.1 in respect of any Goods which AMPAC continues to supply notwithstanding the occurrence of the Force Majeure Event.
- 15.4 If a Force Majeure Event which gives rise to relief from liability under clause 15.1 continues for a period of more than 60 days, either party will be entitled to terminate the Contract immediately by giving written notice to that effect to the other party.

 - iii supply all information and evidence reasonably requested by us concerning your compliance with this clause within 30 days of receiving a written request from us.

19. JOINT AND SEVERAL LIABILITY.

- 19.1 Every covenant, agreement, warranty or obligation expressed or implied in this Contract by which two or more persons covenant, agree or are bound shall bind such person jointly and each of them severally and every covenant, agreement, warranty or obligation expressed or implied in this Contract which applies to two or more persons shall apply to such persons jointly and each of them severally.

20. NON-WAIVER.

- 20.1 Any failure or omission by a party either wholly or in part to enforce strict compliance with any provision of this Contract or any act, omission, delay, forbearance or indulgence granted by a party to the other shall not operate as a waiver and shall not affect or impair that provision in any way of the rights of the party to avail itself of the remedies it may have in respect of any breach of any such provision.
- 20.2 No waiver by a party of any breach of any provision of this Contract shall be deemed to be a waiver of any preceding or succeeding breach of the same or any other provision.

21. REMEDIES CUMULATIVE.

- 21.1 The rights, powers or remedies provided in this Contract are cumulative with and not exclusive of the rights, powers or remedies provided by Law independently of this Contract.

22. SEVERABILITY.

- 22.1 If one or more of the provisions of this Contract are held to be void, unenforceable or invalid, the remaining provisions of this Contract shall not be affected and shall continue in full force and effect.

23. ASSIGNMENT.

- 23.1 Unless otherwise agreed in writing by AMPAC the Trader must not assign either the benefit or the burden of the Contract.

24. CREDIT CHECKS.

- 24.1 Where goods are supplied to the Trader on credit the Trader irrevocably authorises AMPAC, its employees and agents to make such enquiries as it deems necessary to investigate the credit worthiness of the Trader including (without limitation) making enquiries from persons nominated as trade referees, the bankers of the Trader or any other credit providers ("Information Sources") and the Trader authorizes the Information Sources to disclose to AMPAC all information concerning the Trader which is within their possession and which is requested by AMPAC. The Trader further authorises AMPAC to disclose to the Information Sources all information concerning the Trader which is within AMPAC's possession and which is reasonably requested by an Information Source.

TERMS OF SALE

If such advance payment is not made within a reasonable period stipulated by AMPAC, AMPAC may cancel the Contract without liability.

25. **PRIVACY.**

25.1 AMPAC may collect, use and disclose information that identifies the Trader or the Trader's representatives ("**Trader's Personal Information**") in accordance with AMPAC's privacy policy (available at www.ampac.net).
