

Case Study

Sofitel Adelaide

Ampac protects Adelaide's first internationally recognised 5 star hotel.

Located in the heart of Adelaide, the Sofitel Adelaide is a 117 meter tall, 33 story, luxury hotel. The hotel features 251 spacious rooms and suites, with stunning views of the Adelaide skyline.

Location: Adelaide, South Australia

Sector: Hotel

Products: FireFinder^{PLUS} EV3000

Completed: 2021

The Challenge

- High-Rise Structure

The Solution

Working with the team at Combined Fire, Ampac provided a tailored fire detection and evacuation system for the hotel.

The solution included Ampac's FireFinder^{PLUS} Addressable Fire Detection System and EV3000 Emergency Warning and Intercom System.

The system was housed in a triple cabinet combination configuration with 15 Loops, 46 Warden Intercom Points and 1000 Smoke Detectors.
